

STUDENTS' TOP TIPS FOR SUCCESS IN KS4

Do your **homework** as soon as it's set and always hand it in.

Try not to give up easily and set yourself sensible **goals**.

Listen to **GCSEPod** on the way to school, on the way home and at home.

Listen in lessons, work hard and make notes

Revise and answer questions on topics that are difficult and make you feel uncomfortable.

Take advantage of the **resources** offered by WHS

Memorise key facts and information in every subject.

Make a lot of notes in class and when watching videos

Get enough **sleep**

learn from other **successes**.

Look at your **mistakes** from past papers and correct them.

Do **extra** work to make sure you really understand the homework you are given.

Ask for help when you don't understand.

Use lots of colours and **diagrams** when creating revision materials.

Don't get **stressed**. Plan for the worst.

Use online **websites** and quizzes to help you revise

Do more **challenging** tasks when given a choice.

Practicing exam technique and layout of working out etc.

Try the **harder** questions before the easier ones.

Try not to get **distracted**

If you get stuck, find your **teacher** in your own time and ask them to explain

Remember to take a break and **exercise**.

Try to find something **interesting** in what you are learning.

Revise a little every day making notes on your lessons or revision guides
